James Matthew Barrie

Il canto di Bernadette Franz Werfel,2011

Il canto di Bernadette Franz Werfel,2011-05-18 Il classico di tutti i tempi sulle apparizioni di Lourdes. La storia eccezionale della figlia analfabeta di un povero mugnaio, Bernadette Soubirous, dapprima accusata di pazzia, isolata e minacciata per aver raccontato le sue visioni della Vergine Maria in una misera grotta, poi seguita da schiere di fedeli, infine proclamata santa. Concepito dall'ebreo Franz Werfel mentre si nascondeva nella cittadina dei Pirenei per sfuggire al nazismo, questo coraggioso racconto di eventi miracolosi è - per le circostanze in cui è stato scritto - un miracolo esso stesso. "...Una signora giovanissima, fine, delicata e gentile di aspetto, di carne e d'ossa, piccola piuttosto di statura poiché sta ritta senza sforzo nello stretto ovale della nicchia..."

Cico&Pippo Altan,2013-04-04 Non è la cecità che viene qui presa in giro: è la Cecità con Corona d'Alloro Sopra le Pupille Spente. Altan prende in giro tutta la serie di luoghi comuni sul Cieco quale Eroe o quale Vittima, tutta la letteratura pompieristica di contorno, la stessa che fa al giorno d'oggi definire i ciechi Non Vedenti, quasi che la parola cieco fosse una parola sporca. (Dalla prefazione di Ferruccio Alessandri)

Peter Pan James Matthew Barrie,2008 The original story of Peter Pan.

The Ransom of Dond Siobhan Dowd,2013-11-07 Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. The Ransom of Dond is our final story from Siobhan, and a book to be treasured.

Acorn Yoko Ono,2013-11-19 "It's nearly 50 years ago that my book of conceptual instructions Grapefruit was first published. In these pages I'm picking up where I left off. After each day of sharing the instructions you should feel free to question, discuss, and/or report what your mind tells you. I'm just planting the seeds. Have fun." —Yoko Ono Legendary avant-garde icon Yoko Ono has inspired generations of artists and performers. In Acorn, she offers enchanting and thought-provoking exercises that open our eyes—and all of our senses—to more creative and mindful ways of relating to ourselves,

each other, and the planet we cohabit. Throughout this beautifully designed book are 100 black-and-white line drawings by Yoko. Like this legendary woman herself, the book is wildly original, stimulating, and hard to label: Call it purposeful play, call it brain poetry, call it guided motivation, call it Zen-like incantations, call it whatever you want. But read it. Acorn may change the way you experience the world.

When the Guns Fall Silent James Riordan,2001 Jack Loveless attempts to avert his grandson's questions about his role in World War I by taking him to visit the battlefield graveyards in France. While there he meets a German soldier from the past and vividly remembers the Christmas truce, a miraculous moment when the guns fell silent and horrors of war were temporarily forgotten in a football match. Suggested level: secondary.

Queer Italia: Same-Sex Desire in Italian Literature and Film G. Cestaro,2004-07-22 Queer Italia gathers essays on Italian literature and film, medieval to modern. The volume's chronological organization reflects its intention to define a queer tradition in Italian culture. While fully cognizant of the theoretical risks inherent in trans-historicizing sexuality, the contributors to this volume share an interest in probing the multi-form dynamics of sexual desires in Italian texts through the centuries. The volume aims not to promote the mistaken notion of a single homosexuality through history. Rather, these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various, complex workings of desire in texts from all periods. Somewhat paradoxically, a kind of queer canon results. These essays open a much-needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse. Queer Italia is the first and only work of its kind in Italian criticism. As such, it will be of interest to a wide audience of Italianists, medieval to modern, and queer cultural theorists.

Miral Rula Jebreal,2010-11-03 Soon to be a major motion picture from the award-winning director Julian Schnabel, starring Freida Pinto. WRITTEN BY the much-admired Italo-Palestinian journalist Rula Jebreal, Miral is a novel that focuses on remarkable women whose lives unfold in the turbulent political climate along the borders of Israel and Palestine. The story begins with Hind, a woman who sacrifices everything to establish a school for refugee Palestinian girls in East Jerusalem. Years later Miral arrives at the school after her mother commits suicide. Hind sees that Miral has the potential to change the world peacefully-but Miral is appalled by the injustice that surrounds her, and flirts with the notion of armed resistance. Hind desperately works to persuade her to stay the course of education, hard work, and non-violent resolution-but is she too late? Watch a Video

The Children's Train Viola Ardone,2021-01-12 "The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings." - Lisa Wingate, #1 New York Times Bestselling Author of Before We Were Yours and The Book of Lost Friends Ardone's beautifully crafted story explores the meaning of identity and

belonging...recommended to fans of Elena Ferrante's Neapolitan novels. - The Library Journal "[The Children's Train] leaves you with a great sense of the importance of family and the tough decisions that must be faced as a result of that love." - Shelf Awareness Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with the heart of *Orphan Train* and *Before We Were Yours*—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious, innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford

Cataract John Berger, 2023-11-07 The great art critic and writer John Berger joined forces again with Turkish writer and illustrator Selçuk Demirel in this unexpected pictorial essay. What happens when an art critic loses some of his sight to cataracts? What wonders are glimpsed once vision is restored? In this impressionistic essay written in the spirit of Montaigne, John Berger, whose treatises on seeing have shaped cultural and media studies for four decades, records the effects of cataract removal operations on each of his eyes. The result is an illuminated take on perception. Berger ponders how we can become accustomed to a loss of sense until a dulled world becomes the norm, and describes the sudden richness of reawakened sight with acute attention to sensory detail. This wise little book beckons us to pay close attention to our own senses and wonder at their significance as we follow Berger's journey into a more vivid, differentiated way of seeing. Demirel's witty illustrations complement the text, creating a mini-world where eyes take on whimsical lives of their own. The result is a collaborative collectors' piece perfect for every reader's bedside table. This title completes a trilogy of books by Berger and Demirel. *Smoke* was published in 2018, and *What Time Is It?* was published in 2019.

The Metamorphosis Franz Kafka, 2009-01-01 The *Metamorphosis* begins almost comically. A man wakes up to find he has turned into an insect. But the claustrophobic, dirty room and the increasingly distressed narrator soon turn this into a tale of slow horror. Most horrifying of all is his family's reaction to his metamorphosis and their final solution to the problem.

Hotel Silence Auður Ava Ólafsdóttir, 2018-02-02 "[A] novel of mid-life redemption . . . Ólafsdóttir writes about a good

man in crisis with a raw beauty, as he gradually awakens to life and love.” —Financial Times Winner of the Icelandic Literary Prize, *Hotel Silence* is a delightful and heartwarming new novel from Auður Ava Ólafsdóttir, a writer who “upends expectations” (The New York Times). Jónas Ebeneser is a handy DIY kind of man with a compulsion to fix things, but he can’t seem to fix his own life. On the cusp of turning fifty, divorced, adrift, he’s recently discovered he is not the biological father of his daughter, Gudrun Waterlily, and he has sunk into an existential crisis, losing all will to live. As he visits his senile mother in a nursing home, he secretly muses on how, when, and where to put himself out of his misery. To prevent his only daughter from discovering his body, Jónas decides it’s best to die abroad. Armed with little more than his toolbox and a change of clothes, he flies to an unnamed country where the fumes of war still hover in the air. He books a room at the sparsely occupied *Hotel Silence*, in a small town riddled with landmines and the aftershocks of violence, and there he comes to understand the depths of other people’s scars while beginning to see his wounds in a new light. A celebration of life’s infinite possibilities, of transformations and second chances, *Hotel Silence* is a rousing story of a man, a community, and a path toward regeneration from the depths of despair.

1-2 Kings, 1-2 Chronicles, Ezra, Nehemiah, Esther Marco Conti, Thomas C. Oden, 2008-05-21 The church fathers, as they did in earlier books dealing with Israel's history from the time of Joshua to the united monarchy, found ample material for typological and moral interpretation in 1-2 Kings, 1-2 Chronicles, Ezra, Nehemiah and Esther. This ACCS volume includes comment from Greek, Latin, and Syriac theologians, some of which is available in English for the first time.
